Cranberry Sangria Pedicure \$65

Combining the tart scent of cranberries and the crisp scent of oranges we have created the perfect Fall treatment! This pedicure begins with a fizzy, cranberry orange foot soak, followed by a cranberry sugar scrub exfoliation. Refresh those summer feet with a warm wax paraffin followed by a hydrating lower leg masque.

Top it off with a soothing foot & leg massage with one of our favorites; Chianti Body Oil.

This pedicure is complete with nail & cuticle care, and choice of polish.
